

Signature Alpaca

A New Standard of Luxury

Signature Alpaca and Wool fibre combines the finest Australian raw fibre with European craftsmanship in luxury Textiles creating luxurious, high-quality "Homeware products". By focusing on EU craftsmanship from fibre sourcing to the final product, we ensure every item reflects premium comfort and timeless style. Our commitment to using only the best materials guarantees an exceptional feel and functionality in every product.

We blend Australian alpaca and merino wool fibers with our Eastern European manufacturing hub to create luxurious textile homewares, while upholding eco-friendly and sustainable practices.

Bill & Vlad, experts in the Alpaca and Merino wool industries within Australia and New Zealand, aim to bring the best of Australian wool to the European market. They take pride in creating opulent, sustainable wool products that cater to discerning European consumers, offering a perfect balance of luxury, comfort, and style.

- **Sustainability:** We prioritize eco-friendly practices and use natural, renewable materials.
- **Retail Product Tailored Solutions:** We offer custom product development to meet your specific market

Together, we can redefine luxury wool goods for the modern consumer.
